### IS YOUR HEALTH WORTH \$5.00?

Woman Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

I was ill because doing sedentary work. One of my many friends suggested she should go to see Dr. E. Pinkham talking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Vegetable Wash. I began taking your remedies and took 50 dollars and in two months I was a well woman after three doctors and I never would stand up straight again. I was a midwife for seven years and I recommended the Vegetable Compound to every woman to take before birth and afterwards, and they all got along so nicely that it surely is a godsend to suffering women. If women wish to write to me I will be delighted to answer them.—Mrs. J. R. Hamill, 312 E. North St., Lima, Ohio.

Women who suffer from dislocations, weakness, irregularities, nervousness, backache or bearing-down pains, need the tonic-strengthening properties of the roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

### Quiet Home Wedding.

Miss Eliza Brown and Mrs. John Hanson Hamill, Jr., were united in the holy bonds of matrimony at the home of the bride's parents at 709 East Noble, Aye, Thursday evening at eight o'clock, the Reverend Willard A. Goodell, uncle of the groom, officiating. The impressive ring service. The bride and groom were unattached and the only guests were the immediate relatives including the parents of the groom, Mr. and Mrs. J. R. Hamill and the bride's sister, Mrs. Edna G. Lyon and Mr. Lyon of Oklahoma City. The bride wore a beading soft of navy blue haberdashery in military style with trimmings and accessories of white, and her corsage bouquet was of white sweet peas and violet lilies. Delicate refreshments were served after the ceremony as at 8:30 P.M. the young couple departed for Oklahoma City for a three days' vacation. Both Mr. and Mrs. Hamill are Guthrie's most popular young people. She is the second daughter of Mr. and Mrs. W. M. Brown and a strikingly beautiful bride-to-be. She is a graduate of the Logan County High School and had a special course in domestic science in Kansas City. Previous to that time she was a student at Kansas University, where she is a member of the Phi Omega sorority. Mr. Hamill is the only son of Mr. and Mrs. J. R. Hamill, formerly of the city, and is a member of the clinical force of the state board of health with headquarters in Guthrie. He also attended the Logan County High School and later a Kentucky military school. He was a student at the Oklahoma University where he became a member of the Beta Theta Pi fraternity. ## THIS KIDNEY MEDICINE MAKES FRIENDS EVERYWHERE

About four years ago I had a severe attack of Kidney trouble and Gravel of the bladder. I was afflicted this way for one year and had severe pains in my back and shooting pains in my bladder; I got so bad that I was not able to work for two months; I could not rest at night; I would have to get up several times during the night to urinate, and at these times it caused me great pain. I read so much and heard so much of Dr. Kilmer's Swamp-root I decided to try Swamp-root after taking several bottles I was restored to good health and I have not been troubled with my kidneys and bladder since. I cheerfully recommend Swamp-root to others with kidney and bladder troubles.

You're never fully well until you've tried Swamp-root.

Miss Fasken's Graduation Recital.

Last evening in E. H. Knau's Music Hall, Miss Gladys Fasken presented her graduating program of piano compositions to an enthusiastic audience of friends and music lovers. Her program was very long and very difficult and it was unnatural that she should display some fatigue in the concert number which concluded the evening. Her solo, however, was without exception superbly played, and much art, poise as well as great finger dexterity and immense technical

skill was evident throughout.
